Mechanical Integrity Tests (MITs) Dateline Extension

Dear Mr. Traver:

This letter is in response to your request for an extension to the deadline to perform Mechanical Integrity Tests (MITs) on nine (9) Brine Wells (#47, 48, 50, 51, 56, 60, 61 & 62) pursuant to Paragraph 3 of Section H of the above referenced UIC Class III Permit. EPA hereby grants you an extension of eight (8) weeks from the receipt of this letter to complete your MITs.

Failure to perform the MITs by the above deadline may result in the consideration of all enforcement options available pursuant to Section 1423 of the Safe Drinking Water Act, 42 USC §300-2, et seq. Please also note that all information submitted by you may be used in an administrative, civil judicial, or criminal action. In addition, making a knowing submission of materially false information to the U.S. Government may be a criminal offense.

Please address any correspondence you submit to this office as follows:

Nicole Foley Kraft, Chief
Ground Water Compliance Section
United States Environmental Protection Agency
